Cromer

Cromer is an extremely popular seaside town on the North Norfolk coast which became a resort in the early 19th century with some of the rich Norwich banking families making the town their family destination. Facilities include the late Victorian pier, the home to the Pavilion Theatre, a rich variety of both independent and chain retailers to include supermarkets, art gallery, craft shops, cinema and pubs alongside restaurants and fast food outlets. There is also schooling to 16 years of age within the town.

Nearby National Trust properties include Felbrigg and Blicking Halls, Sheringham Park, whilst further afield the stately homes of Holkham, Houghton and Sandringham are within easy travelling distance. Bus and rail links provide excellent transport links to the city of Norwich some 23 miles, with Norwich railway station on the east side of the city providing a rail link to London Liverpool Street in under two hours and the Norwich International Airport on the northern outskirts of the city. Further locations within easy travelling distance include North Walsham just over 9 miles, Aylsham 10.7 miles and Sheringham some 4.5 miles.
