### Cromer

Cromer is an extremely popular seaside town on the North Norfolk coast, which became a resort in the early 19th century with some of the rich Norfolk banking families making the town their family destination. Facilities include the late Victorian pier, home to the pavilion theatre, a rich variety of both independent and chain retailers to include supermarkets, art gallery, craft shops, cinema and pubs, along with restaurants and fast food outlets. There is also schooling to 16 years of age within the town.

Bus and rail links provide excellent transport links to the city of Norwich some 23 miles with Norwich railway station on the east side of the city providing a rail link to London Liverpool Street in under 2 hours and Norwich International Airport on the northern outskirts of the city now easily accessible with the completion of the northern distributor road.
