Cromer

As feature in The Times "Cromer has been voted number 2 hotspot to invest in the country" also featured in "American Vogue"

Cromer is an extremely popular seaside town on the North Norfolk coast, which became a resort in the early 19th century with some of the rich Norfolk banking families making the town their family destination. Facilities include the late Victorian pier, home to the pavilion theatre, a rich variety of both independent and chain retailers to include supermarkets, art gallery, craft shops, cinema and pubs, along with restaurants and fast food outlets. There is also schooling to 16 years of age within the town.

The area boasts two prestigious golf courses, Sheringham (voted in the top 100 golf courses) and Royal Cromer.

Nearby National Trust properties including Felbrigg and Blickling Halls, together with Sheringham Park, whilst further afield the stately homes of Holkham, Houghton and Sandringham are within easy travelling distance. Bus and rail links provide excellent transport links to the city of Norwich some 23 miles with Norwich railway station on the east side of the city providing a rail link to London Liverpool Street in under 2 hours and Norwich International Airport on the northern outskirts of the city now easily accessible with the completion of the northern distributor road. Further locations within easy travelling distance include North Walsham just over 9

miles, Aylsham 10.7 miles and Sheringham some 4.5 miles

Cromer Pier has been previously been voted pier of the year.
