THE PROPERTY

Tucked away in a quiet part of Pembury village, surrounded by orchards and with woodland walks "a stones throw" from your front door, this wonderful Victorian, semi-detached home has lots of potential for its new owner. In need of updating throughout, there is still lots on offer in this appealing home. Welcomed through the front door into the hallway, with understair cupboards, the larger of which is big enough to walk into with plenty of storage plus the electric meter for the property. The sitting room, to the front of the home is a great size, with a large bay window overlooking the front garden making the room light and bright, a fireplace with electric fire and plenty of space for your furniture. The dining room is at the rear of the property. Another feature fireplace is the central focus of the room and would be perfect to be opened up for a log burner. The small kitchen is in need of updating, and whilst limited on space has an electric hob and oven and also space for an under counter fridge. The family bathroom completes the picture downstairs and features WC and shower over bath. The boiler is also found in the bathroom. Upstairs there are three bedrooms, the master to the front is a good size, with built in wardrobes. The second double has a wonderful original fireplace in, and there is a small third bedroom, which would work perfectly as an office. The property has modern UPVC windows throughout and is heated with storage heaters.

OUTSIDE

The property has gardens on three sides. The front garden is mainly laid to lawn with flower beds on either side of the pathway to the front door. There is ample space here to convert the garden into parking, should you so wish. The garden continues down the side, with potential for a side extension. To the rear you will find a large brick outbuilding. Currently used as storage and a utility room, housing the washing machine and dryer, this space could be converted to a home office and updated utility room. There is both water and power to the outbuilding. The garden at the back is a fantastic size, mainly laid to lawn with established plants in the borders, there is also a small pond and vegetable patch - perfect for any budding gardener!

THE LOCAL AREA

Pembury is a village with an active community and close enough to make full use of all the facilities in Tunbridge Wells. This home is set within a cul-de-sac in a popular residential road, close to the well-regarded primary school. The area is popular with families as well as those who have raised their families here and then continued to enjoy the convenient location once the children have left home, as it is also within walking distance of the doctor's surgery, library, farm shop and local convenience store, not to mention the miles of footpaths nearby. Pembury village caters for everyday needs including a chemist, newsagent with Post Office counter, public houses, eateries, Notcutts garden centre and coffee shop, hairdresser, barbers, churches, Tesco supermarket and petrol station with Morrisons. The Tunbridge Wells at Pembury Hospital is on the periphery of the village. There are walks through woodland and orchards around the village and a superb recreation ground. The recreation ground has play areas for children of all ages, including a basketball court and skate park and for the adults, outside gym equipment, tennis courts and a bowls club. There is also a cricket club, football club and well-supported U3A within the village. Tunbridge Wells and Tonbridge are approximately 3.7 and 6.1 miles distant respectively, both offering a wide range of shopping, recreational and educational facilities, including grammar schools. Tunbridge Wells, Tonbridge and Paddock Wood all have mainline stations with commuter trains to London in under an hour and a commuter coach service is available in the village. By road the A21 is close by giving access to the M25 and all the major motorway networks and there is a regular bus service to the local areas.
