THE PROPERTY

Having been in the current owner’s family since 1962, this generous sized family home offers lots of potential for the new owners to extend and develop into their dream property. Situated at the top of Pembury village, it is just a short walk to the village amenities. Welcomed through the front door into the generous entrance hallway with large understairs cupboard. To the front of the property is a great size study / playroom, ideal for hiding away the kids toys or working in peace. The large sitting room enjoys views over the garden to the rear and a feature fireplace, currently with original fire, is calling out to be opened up with a log burner, and the solid wood flooring gives the room a lovely warm feel. The kitchen is original to the property, with statement light green cupboards and formica wood worktops, with washing machine and dryer, fridge freezer and free-standing gas oven. The boiler, whilst older in age, is fully functioning and has been recently serviced. The dining room could easily be knocked through into the kitchen or sitting room to give a modern open plan feel. Original Crittall double doors open up into the lovely sunny conservatory. This wonderful addition to the home is the perfect place to sit and enjoy the views out of the garden and the double UPVC doors can be opened to bring the outside in! The garage has been connected to the house via a covered internal passageway, with doors either end for easy access to the front and rear of the home. The original outside toilet is now internal and can be found to the rear of the garage. To the first floor there are three well appointed bedrooms. The two double bedrooms enjoy views to the rear over the garden, and the smaller of the two benefits from fitted wardrobe space. The third bedroom is a single room with a built-in cupboard. The family bathroom with statement salmon pink suite completes the picture upstairs.

OUTSIDE

The stand-out feature of this home is the wonderful rear garden, at well over 100ft in length (approx), the formal garden is laid mainly to lawn with well-established hedges and borders. The garden is screened to the rear by laurel hedges and offers privacy throughout. A small summerhouse in the formal garden is perfect for storing your garden tools and there is a handy compost heaped tucked away behind the gate at the end of the garden. To the front, the property benefits from off road parking, leading to the garage with up and over door.
