## WHERE PARK MEETS PRESTIGE

Knightsbridge, a place of royal heritage spanning centuries, undoubtedly has elegance flowing through its streets, and has long been regarded as one of London's most refined boroughs. Few other areas can match its cosmopolitan atmosphere of elegant living and imitable sense of style.

Albert Gate Court is hard to surpass when it comes to prestigious postcodes and residents can savour being in the heart of one of the Capital's most beautiful and iconic locations. On the one side - the vibrancy of Knightsbridge and unequivocal glamour of Harrods and chic designer labels of Sloane Street. On the other, tall groves of trees from which the tranquility of Hyde park unfolds, opening out onto 350 acres of lush greenery, lakes and fountains.

Knightsbridge is indeed a top-tier neighbourhood that is second to none.
