Bernard Gardens, SW19

This wonderful south facing six bedroom semi-detached double-fronted early Edwardian family home retains many charming period features and also benefits from a detached double garage, something very rare for properties of this era. The high ceilings throughout offer a great sense of space and the property is presented in good decorative order.

An enchanting stained glass front door leads to an inviting central entrance with a formal dining room at the front of the house, as well as a double length through-lounge on the other side. Recently renovated, the island kitchen with space for a large dining table is a lovely sunny space for casual gatherings.
