ABOUT THE PROPERTY

A truly outstanding, newly built five-bedroom detached family house, superbly located on one of Wimbledon Village's most charming and sought-after roads. Meticulously designed and finished to an exceptional standard, this remarkable home represents one of the finest residences to have come to market in recent years.

Built in a classic contemporary style, the house combines timeless elegance with a beautifully executed modern interior. At its heart is a striking central staircase, rising through all four floors and naturally lit from above by expansive rooflights — creating a sense of light and architectural drama throughout.

METICULOUSLY DESIGNED

The impressive central entrance hall leads into the principal reception spaces. The dual-aspect sitting room runs the full depth of the house and connects seamlessly with the bespoke, hand-painted kitchen — both rooms featuring floor-to-ceiling slimline sliding glass doors opening onto the landscaped garden. The kitchen is fitted with high-end appliances, Arabescato marble worktops, and a generous central island with breakfast bar. The formal dining room, complete with Crittall-style doors overlooking the feature staircase, provides elegant space for entertaining up to twelve guests in comfort. To the rear, two off-street parking spaces provide private access via a gate leading into the handy boot room and ground floor cloakroom. On the first floor, the stunning principal suite includes a luxurious en suite bathroom with double shower, and a beautifully fitted dressing room with bespoke hardwood and upholstered cabinetry. A second bedroom on this level enjoys garden views, a vaulted ceiling, generous fitted wardrobes and a stylish en suite. The top floor features two further beautifully appointed bedrooms, both with en suite shower rooms and bespoke finishes.

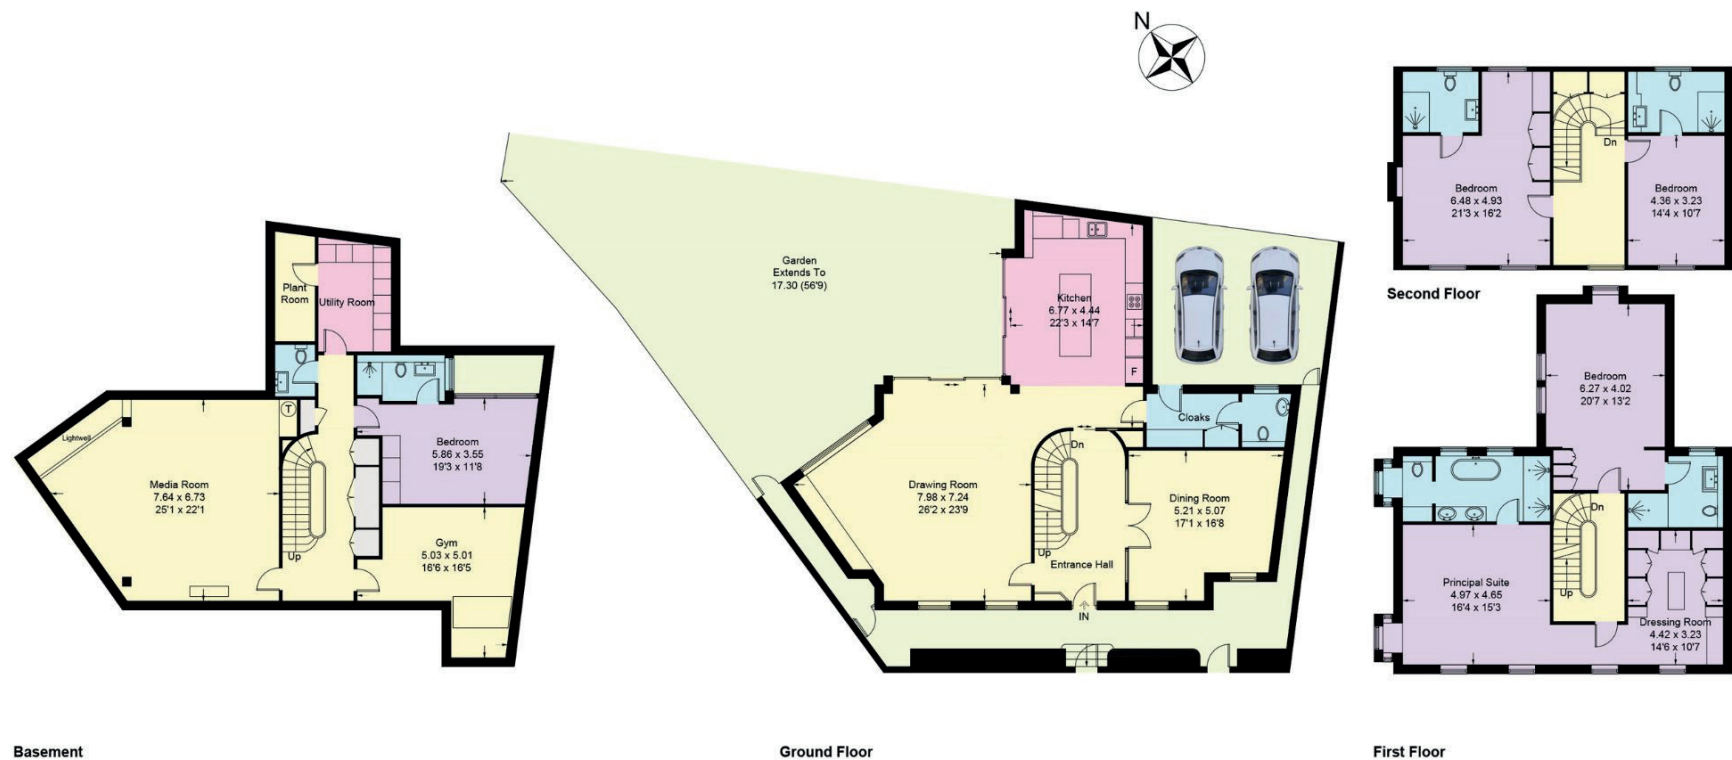

The lower ground floor is designed for leisure and lifestyle, featuring a magnificent cinema and games room with bespoke bar and floor-to-ceiling glass doors opening into a large lightwell. Additional amenities include a well-equipped gym, a temperature-controlled 500-bottle wine cellar, a spacious double bedroom with en suite shower room, cloakroom, utility room, and plant room. Technologically advanced, the house benefits from underfloor heating throughout, a heat recovery ventilation system, and a Banham video entry system with integrated CCTV and alarm. To the rear lies a beautifully landscaped, walled garden extending over 50 feet — paved and planted beneath the canopy of a majestic oak tree. Elegant and low maintenance, it provides an ideal setting for sophisticated London entertaining.
