Frant Grange

Frant Grange is a magnificent village house with the privacy of a country house and the convenience of a town house.

The house has recently been the subject of a major refurbishment, yet it retains impressive original features.

The accommodation is lovely and light with well-proportioned and elegant rooms.

The accommodation extends to over 10,000 sq. ft. and is principally arranged over two floors. The arrangement of the accommodation can be seen on the floor plans within this brochure, and offers a great balance between formal and informal living and is well set up for modern family life.

Gardens and Grounds

Frant Grange is surrounded by delightful gardens. The house is approached through solid wood electric gates along a gravel driveway expanding to a large parking area to the front of the main house, with a double garage to one side. A large stone entertaining terrace runs along the western facade of the house, ideally positioned for the evening sun. The lawn surrounding the house on the north west and south sides is interspersed with mature specimen trees and herbaceous borders.
