The property

A quiet location on the Wentworth Estate, this home has generous and well-thought-through family living along with a great entertaining floor with a spa area, which includes a Klafs sauna, plunge pool, relaxation area, treatment room and gym. There is a club room which has all that you need for grand entertaining and parties, including a bar, feature wine room and dance floor. Adjacent to this lies the sumptuous cinema room. There is separate staff/guest accommodation, which can be linked to the house if needed but also has an independent entrance.

The ground floor has a dramatic entrance hall, off which lies a study, cloakroom, drawing room, dining room and access through to the kitchen/breakfast/family room, which has been cleverly designed to overlook the gardens and be the hub of the house. Off this is a main study/library and access to the back-of-house areas.

The first floor has four bedroom suites, including the principal bedroom suite, which has a large en suite dressing room and luxurious en suite bathroom, with all other bedrooms having en suite facilities.

The second floor has a further two bedroom suites and games room.
