#### *Dillions Farmhouse*

The Farmhouse has been the subject of an extensive programme of extension, refurbishment and redecoration during the vendor's ownership and now offers an exceptionally well-presented family home. The core of the house is thought to be a timbered Tudor Hall house with Horsham stone roof, adapted by the later insertion of a large inglenook fireplace, which now serves both the formal sitting room and drawing room. Later additions provide both the spacious kitchen/breakfast room and family snug on the ground floor, and the master suite on the first floor.

The house has been the subject of complete redecoration overseen by a well-known local interior designer. Of particular note are the hand-built Martin Moore Kitchen, the quality of the internal joinery and finishes, and the bright and stylish country décor throughout.

The house extends to some 3,766 square feet (349 square meters). On the ground floor accommodation includes drawing room, sitting room, kitchen/breakfast room, family room, entrance hall, utility/boot room and cloakroom. On the first floor is a master bedroom suite comprising bedroom, dressing area, walk-in wardrobe and en-suite bathroom, 5 further bedrooms and family bathroom.

The house offers all the charm and character of a historic Sussex Farmhouse, whilst benefitting from a layout that lends itself to modern family living and is presented to the very best standards.

### *Gardens and Grounds*

The vendor's passion for gardening is clearly evident at Dillions. During his ownership, with the advice and input of renowned garden designer Richard Taylor of Taylor Tripp Ltd, fantastic gardens have been created around the house. To the east of the older parts of the house is a charming cottage style garden surrounding an old well, with Cotswold stone gravel paths edged by planting including Verbena, roses, Mexican Daisies and perennial Geraniums.

At the front of the house, accessed from the French doors from the kitchen is a newly created terrace with wonderful alfresco entertaining space, hedged parterres and sunken spa pool.

To the rear of the house is a beautiful circular pond, created using the old horse-pond at Dillions, and now a wonderful feature surrounded by Lavender, a large block of white Hydrangea Annabelle, roses and a striking red maple. There is a formal vegetable garden, greenhouse, and treehouse, whilst the area to the front of the property provides a wildlife pond and area of grassland giving wildflower habitat.
