Accommodation Summary

This plot is positioned in the heart of the development and features one of the developments most impressive kitchen living rooms with vaulted snug area and bifold doors out onto the garden, benefiting from another south facing garden and off road parking to the front with integrated garage.

The floor area of the property boasts over 2,400 sq ft with huge focus on the kitchen area with a vast amount of units, central breakfast island that flows seamlessly through to a dining area, a living area and finally through to the snug.
