The business will not only offer all aspects of Estate Agency (including Sales, Lettings and Property Management) but will also provide invaluable advice and recommendations for Solicitors, Financial Advisors and Surveyors to support you and your family throughout the entire moving process. Tailor Made Sales & Lettings takes an innovative approach to the industry, offering a flexible and transparent fee structure. This gives you the opportunity to create the best package for your individual requirements.

The internet has transformed the way we search, sell and let properties. Present high street estate agents act as intermediaries, leading to colossal fees and commissions: you have every right to question whether this added cost is acceptable. We believe Tailor Made Sales & Lettings are different. Our unique approach will save you money, provide peace of mind and, most importantly, ease the stress of any move or letting.

If you would like to know more about the services we provide and you have a property to sell then you can visit the packages section of our website on www.tmonline.co.uk/packages/
