Heath Drive London NW3

Heath Drive is a picturesque road lined with trees, situated on the west side of Hampstead, stretching from Frognal to Finchley Road. It provides convenient access to the bustling array of shops, cafes, and restaurants in Hampstead, along with the facilities and transport connections available on Finchley Road. The vast expanse of Hampstead Heath is also nearby. This exceptional family home has been thoroughly renovated to a high standard, featuring solid oak flooring, Lutron lighting, an integrated sound system, Cat-5 cabling throughout, an external CCTV camera system, and a Banham's Central station alarm system. The residence spans the ground and first floors of an attractive period conversion and benefits from its own private entrance, offering the feel of a house rather than a maisonette. The interior is generously sized, well-designed for both family comfort and superb entertaining.
