Ranulf Road The Hocrofts NW2

This stunning traditional early 1900's converted garden apartment is the epitome of charm and character, situated within a sought after enclave of residential homes which are predominantly still arranged as single dwelling houses.

Boasting approximately 1,100 sq ft of living space arranged over the raised and lower ground floors, the apartment offers a 34'11 double reception room providing excellent living and entertaining areas, featuring a charming large bay window with natural light which floods through from front to rear, and fireplaces situated in both the family room and dining room.

The lower ground floor houses two bedrooms, both of which comprise ample built in storage, and two bathrooms. The generously proportioned master bedroom provides access to a wonderful 76 ft private south westerly facing rear garden.

Ranulf Road is located within "The Hocrofts" - a highly desirable and sought after residential family area, with a popular UCS owned cricket ground just around the corner from the subject property located on Hocroft Road. The Hocrofts is favourably situated for access to the buses on Finchley Road and Fortune Green Road, in addition to West Hampstead Thameslink & Underground Station (Jubilee Line) as well as Finchley Road Underground Station (Metropolitan & Jubilee Lines), and perfectly placed within easy reach of Brent Cross Shopping Centre and the arterial roads such as the A41 and the M1.
