A charming period detached four bedroom house offering spacious and comfortable accommodation including a lounge/diner, breakfast room, kitchen and utility room. The master bedroom has an en suite and there is a family bathroom and ground floor cloakroom. Occupying a large established plot with a double garage, early viewings are recommended. Chain Free!

Occupying a pleasant central location in the popular West Norfolk village of Hockwold, the property comprises a charming period detached house off Main Street, adjacent to Hockwold Primary School with vehicular access at the side into the rear garden. Believed to have been built as a school house in the 1800's, the property has been substantially refurbished and modernised over the years and now offers well laid out and comfortable accommodation throughout. The house has rendered elevations, probably over chalk lump under a slate roof, whilst the more modern detached double garage is rendered over block work and includes a first floor decorated attic space.

The sale of this property offers an excellent and unique opportunity to purchasers, especially those seeking a home of character in a pretty Norfolk village and early viewings are recommended.

The Norfolk village of Hockwold contains the usual village amenities including a shop; public houses and a church, as well as a primary school. The Suffolk market town of Brandon lies approximately 4 miles to the South-East and the larger town of Thetford is approximately 10 miles away. The Thetford Pine Forests are only a short distance.
