This two bedroom apartment has two large bedrooms, a large reception room, separate bathroom and dine in kitchen. Queens Club Gardens is the most desirable Victorian mansion block in Fulham, and is known locally as 'The Oasis' because of the private centrally located and beautiful communal gardens and tennis courts. These advantages cannot be overlooked and are an integral part of the up-market 'community feeling' of the mansions, especially in the warmer months.

The property is ideally located for easy access to Barons Court (Piccadilly & District Line, Zone 2). There's also a very popular independent French cafe, award winning butcher and several restaurants and amenities close to hand, including a new Waitrose supermarket near West Kensington tube (only a short stroll away). Energy rating D.
