The apartment is bright and bathed in natural light and benefits from original Georgian features such as decorative fireplaces, high ceilings and sash windows. Electric throughout and neutral décor compliments this fabulous spacious three bedroom apartment.

The large kitchen offers plenty of space for dining and boasts the ultimate feature of a restored range! Certainly a feature and talking point! There are a plethora of white high gloss wall and base units with the benefit of plenty of worktop space. Electric inbuilt hob and oven as well as an integrated washing machine and full fridge freezer.

Down the hallway you will find three good sized bedrooms, two of which are adjoining but could easily remain separate, and the family bathroom.

Two bedrooms over look the main road and the third looks towards the gardens and Russell Street. The two larger bedrooms both have storage cupboards and stunning feature fireplaces.
