

BRAMBLE, LOWER NORTON BARNS

MARCHAND PETIT

COASTAL, TOWN & COUNTRY

BRAMBLE

Description

Bramble is a beautifully presented, end terrace barn conversion, offering spacious reverse level accommodation set in an elevated, tucked away rural location with superb countryside views, yet is only a couple of miles from East Allington and approximately 5 miles to the coast at Torcross.

You enter this bright and spacious property on the ground floor into the well-equipped kitchen/dining room. There are fitted floor and wall units with integrated appliances and ample room for a dining table and chairs. The triple aspect sitting room is a lovely room with plenty of natural light flooding in. It has built-in storage, stairs down to the lower level and French doors opening out to a private, patio garden/seating area which is ideal for al fresco dining.

The lower ground floor houses three double bedrooms, bed one has en-suite facilities and bed 2 has access out to the rear patio seating area plus there is a fully tiled family bathroom with shower above the bath.

The garden covers roughly half an acre. It's set on a moderately steep slope, giving it a natural, terraced appearance that enhances its charm and creates a dynamic experience, where each level of the slope offers a different perspective on the ever changing trees and surrounding countryside. There are upper and lower level patio seating areas in the garden along with a further seating area at the rear of the property bound by an attractive low stone wall. There's a couple of timber sheds, and even a chicken coop, offering a taste of the good life. To the front are two allocated parking spaces.

Situation

The popular rural village of East Allington has a good community with a pub, church, recreation ground and well-regarded primary school and pre-school. The village is surrounded by unspoilt rolling countryside and within easy reach of the beautiful coastline, beaches, and estuaries of the South Hams. The towns of Kingsbridge, Totnes and Salcombe, with their more extensive commercial and leisure facilities, are all within easy reach.
