Matthew Pellereau is the trading name of Matthew Pellereau Limited.

These particulars are for guidance of intending purchasers or lessees only and do not constitute any part of an offer or contract. These details are given in good faith but should not be relied on as statements or representations of fact. No employee of Matthew Pellereau has any authority to make or give any representation or warranty.

LOCATION: The Property is located in Friarsgate, a private cul-de-sac which serves only three occupiers and adjoins Molly Millars Lane at the heart of Wokingham's thriving business and industrial community. Excellent road connections are provided by the A329(M) motorway which links with the M4 and M3 giving easy access to London, Heathrow Airport and Southampton. Nearby Wokingham train station provides a regular service to Reading and London Paddington. Local businesses include Shurgard Self Storage, Lidl, National Grid and Intersurgical Ltd.

DESCRIPTION: The property is of steel frame construction, profiled sheet cladding to the roof with GRP rooflights. Walls are of insulated profile sheet metal cladding to the industrial/warehouse areas and masonry walls to the offices.
The main car park and open storage area at the front of the building is enclosed by high galvanised palisade fencing with a sliding entrance gate and a side pedestrian gate which leads to the two designated additional car parking areas in the estate road, together with the open communal rest/smoking space.

ACCOMMODATION: Based on the RICS Code of Measuring Practice and the CAD drawings prepared by TopoCrew (copies of which are available on request) we confirm that the Gross Internal Areas of the property are as follows:

Floor	Use	ft²	m²
Ground	Industrial/Warehouse	6,360.0	590.85
	Mezzanine	1,640.0	152.36
	Offices	730.0	67.82
First	Offices	971.0	90.20
Total Gross Internal Area		9,701.0	901.23

Site Area is 0.34 acres.

Secure Open Storage say around 750 ft²

PERMITTED PLANNING:

Planning consent Number F/2001/3415 was granted by Wokingham BC dated 2nd May 2001 for the proposed erection of units for B1 (c) light industrial, B2 general industrial and B8 warehouse/storage use. Following the Use Classes amendments in September 2020 B1(c) is now within Class E. Thus, expanding the permitted use to include retail, restaurant, professional offices, day nurseries, gyms, and clinics. Please note that Unit 3, the adjoining property, was granted "Sui Generis" planning consent Number 171772 dated 28/9/2017 for change of use to builders' merchant with associated trade counter facility, office and external storage plus erection of 2.4 m fencing.

AMENITIES:

- Lighting to the industrial/warehouse consists of high bay LED fittings and batten type fittings under the mezzanine floor. In the offices there is a mixture of LED, downlights, and modular units to the suspended ceilings. Externally there are flood lights and emergency lights illuminating the fire exit routes.
- The high-quality kitchens and toilets are all served by local electric water heaters.
- The clear internal height of the industrial/warehouse is 27.2 ft (8.28 m).
- The industrial/warehouse is heated via large gas fired warm air heaters mounted at high level and flued through the roof. This is supplemented by high level air recirculation fans.
- An electrically operated roller shutter door measuring 13.4ft (94.07m) wide and 16.4ft (4.99m) high.
- The modern office on ground and first floors has double glazed windows and benefit from ceiling heating and comfort cooling cassettes with the external fan coils mounted on the east wall.
- Car Parking: - 16 designated spaces which comprises 11 spaces (including 2 disabled) at the front of the property within the secure fencing and on the private estate cul-de-sac 5 spaces on freehold land which forms part of the sale (boundaries marked in red on attached OS Plan). Additional parking is available on the communal parking areas on the estate road.
- MM3 Molly Millars Lane Management Ltd administers the estate road and surrounds which include the open space/smoking area at the end of the road. All occupiers on Friarsgate have a share in the company and the right to use the communal areas.
- There is an area of open storage within the secure fencing at the front of the property.
- The mezzanine provides additional storage space.
- The property has a main 3 phase supply from the local Friarsgate substation which we are informed can provide, at an agreed cost, additional kVA by negotiation.
- Security Alarms, fire alarms, external water tapes and incoming data/telecoms are all provided together with a structured cabling system.

(NOTE: The service installations are believed to be in operational condition but they have not been tested therefore no warranty can be made by the Vendor or their agents.)

SERVICES:

The property benefits from mains water, gas, electricity including three-phase power and drainage to the mains sewer. Friarsgate benefits from a local substation that we are informed has the capacity to provide increased kVA by negotiation.

BUSINESS RATES:

The Valuation Office Agency confirms that the Property is described as Warehouse and Premises in the current list from April 2023 with a Rateable Value of £97,500.

EPC:

The Energy Efficiency Rating for the property is 60 within Band C. The EPC Recommendations Report is available on request.
