9 Craig Brown Avenue

Selkirk, TD7 4NB

Offers Over £265,000

Tucked away in a quiet and sought after area of Selkirk just a short walk from the town centre, 9 Craig Brown Avenue is a unique detached villa presented in move in condition, having been sympathetically modernised and upgraded by the current owners. The well proportioned accommodation consists of entrance hallway, lounge, kitchen, diningroom/sunroom, utility room, three double bedrooms (one of which provides access to the roof) and shower room. Externally the property benefits from a large roof terrace, garden ground to the rear laid out in hard and soft landscaping together with a driveway with space for several cars and a double garage/workshop. This is a one of a kind property and early viewing is recommended.

Location

Selkirk lies within the prime catchment area of the central Borders, a beautiful area renowned for its peaceful lifestyle, sense of history and stunning scenery. The relative ease of access to Midlothian towns, the city bypass and indeed Edinburgh city centre is leading to this becoming an area of real attraction to the commuter who wishes to live outside the hustle and bustle of city life. The town itself provides a good range of recreational and educational facilities, plus a variety of hotels, bars and shops catering well for everyday needs, but a wider range of retail outlets can be found in both Hawick (approx 12 miles) and Galashiels (approx 6 miles). The area is surrounded by rolling hills and there are many leisure activities on offer including a golf course, swimming pool, horse riding and rugby club. The Waverley rail link between Edinburgh and Tweedbank can be reached in around 10 minutes by car.
