For Clarification

We wish to inform prospective tenants that we have prepared these particulars as a general guide and they have been confirmed as accurate by the landlord. We have not verified permissions, nor carried out a survey, tested the services, appliances and specific fittings. Room sizes are approximate and measurement figures rounded: they are taken between internal wall surfaces and therefore include cupboards/shelves, etc. Accordingly, they should not be relied upon for

carpets and furnishings. It should also be noted that all fixtures and fittings, carpeted, curtains/blinds, kitchen equipment and garden statuary, whether fitted or not, are deemed removable by the landlord unless specifically itemised with these particulars. Please enquire in office or on our website for details on holding deposit and tenancy deposit figures.
