ATTENTION TO DETAIL

Just imagine waking every day in your beautiful new home in picturesque Thursby. Traditionally designed to harmonise with the surrounding architecture and built to the highest standards, these superb dwellings reflect the character and spirit of this lovely Cumbrian village. Sensitive landscaping further enhances this desirable development.

Stylish from the outside, finished in a mix of sandstone, brick and render, and excellently appointed inside, these family homes offer the best of modern living in perfect harmony with their timeless surroundings.

And as with any Story Home, the quality of finish and attention to detail that we put into all of our new homes is very much evident at St Andrew's View.

THURSBY

The quintessential village of Thursby lies on an old Roman road and is centred around the Victorian Church of St. Andrew. Said to be built by David I, King of Scotland, the present church has a number of original features still remaining, from bells located in the tower to marble monuments, and ancient font encrypted in the walls.

Thursby village continues to thrive and grow. The parish hall reopened in 2010, replacing an old WWI wooden hut. Regular events are held here as well as being home to various community groups. The purpose built venue is only a short walk from St. Andrew's View and offers the perfect opportunity to embrace village life.

VILLAGE

Another central point for the local community and also within a short walk of the development is The Ship Inn, which overlooks the green and is renowned for serving excellent pub food and fine cask ales. The Royal Oak pub in the nearby village of Curthwaite also offers great food and drink if you enjoy dining out.

Public footpaths meander through the rural area creating an ideal loop for a countryside walk, part of which follows the River Wampool. Local sporting facilities and a play area can be found at Jubilee Field next to the primary school and for the keen angler, Crofton Lake offers the chance to unwind in beautiful countryside with 12 acres of coarse fishing available. About a mile west of Thursby is the remains of the Crofton Hall Estate and nearby Crofton Hall is home to Thorny Moor Dairy, makers of award-winning cheese.

CARLISLE

Located just six miles south west of Carlisle, Thursby enjoys an enviable location, close to two major roads which link the village to the city, the Lake District and the west coast (A595/96), making it an ideal place to live. This charming village offers an idyllic rural lifestyle, yet it is still within easy reach of all the benefits that the city has to offer. The nearest railway station is at Dalston (2.5 miles away) and offers access to local towns and cities with ease, as well as connecting to national train routes at Carlisle and the West Coast mainline. The nearest airport is Newcastle, just over 60 miles away.

Cumbria boasts many places to visit and enjoy; Keswick has a renowned Theatre by the Lake and The Sands Centre in Carlisle has a regular programme of performances

THE LAKE DISTRICT

attracting well known comedians, bands and stage productions the whole year round. Carlisle has a beautiful historic centre, with a Cathedral which is almost 900 years old, a Castle and Tullie House Museum and Art Gallery, as well as all other activities you would expect from a vibrant city. The city has excellent shops featuring high street brands including M&S, Next and House of Fraser and many lovely restaurants and cafés making it a great place to dine out.

For those who love the outdoors, Thursby provides a great base from which to enjoy easy access to the internationally renowned Lake District National Park with its beautiful scenery, less than 20 miles away; a short drive will take you to the picturesque market town of Keswick.

PERFECT FOR FAMILIES

Thursby has a thriving local primary school within easy walking distance of St. Andrew's View. Following the most recent inspection, the school was rated 'outstanding' in 'pupils overall achievement'. Thursby Nursery is also located within the primary school and offers childcare for younger members of the family.

For those with older children, secondary schools are located in Dalston and Carlisle and offer many opportunities for education for 11-18 year olds. Higher education is well catered for too with universities readily accessible in Cumbria, the North East, North West and Scotland.

SUSTAINABLE BUILD

Story Homes is committed to reducing energy, water and waste in the homes we build, on our construction sites and in our offices.

As well as being sustainable, our homes could save you money and you'll be helping the environment as a new build property is greener and more economical to run than an older property as it uses less energy and produces significantly lower CO2 emissions.

Each home at St Andrew's View is installed with a smart meter, allowing you to analyse your energy consumption. Together with water saving appliances, thermally efficient building materials and an airtight design, the overall energy demands of our houses are reduced - in fact a new home could save you up to £1,312 per year.*

*New homes built to current regulations could halve your fuel bills e.g. a 4 bedroom detached new home could be 55% cheaper to run, saving up to £1,312 p.a. SOURCE: NHBC Foundation and Zero Carbon Hub)

GOOD FOR THE ENVIRONMENT*

The benefits of a new home could include lower running costs:

- 'A' rated kitchen appliances
- 4/2.6 litre dual flush toilets
- All homes have 100% energy efficient lighting

We create sustainable communities ensuring:

- Close proximity to essential amenities including schools, parks and shops
- Good access to public transport
- Streets that are pedestrian, cyclist and car friendly
- Safe public spaces and pedestrian routes^

^Our rear gardens are safe and secure for families to play in and the majority have a 1.8m high boundary fence/wall. We also incorporate cul de sacs into our developments to reduce traffic speeds.
