Blending modern luxury with timeless character, this home is perfect for family living, holiday stays, or a private retreat. This charming, five double-bedroom family home combines character, space, and versatility, making it ideal for family living. Boasting two generous reception rooms, the home offers plenty of space for relaxation and entertainment.

The main reception room is dual-aspect, featuring a charming bay window and patio doors that open to the secluded, South-West facing rear garden, perfect for enjoying natural light throughout the day. The second reception room, with its cozy Cheshire yellow brick fireplace, lends itself to various uses such as a family room, home office, music room, or even a granny annexe, having previously been used as a dental practice. The heart of the home is the recently refurbished, high-spec kitchen/diner. It showcases sleek neutral cabinetry, stylish midnight blue accents, quartz counter tops, and a central island with an induction hob that doubles as a breakfast bar. The open-plan design flows seamlessly to a cozy seating area with sliding doors opening to the garden. A luxurious ground-floor shower room features high-quality charcoal grey and gold-speckled tiling, brass-effect fittings, and bespoke storage, creating a space akin to a boutique hotel. A utility area with additional storage and laundry facilities complements the home's functionality. Upstairs, the bright and spacious landing, flooded with natural light from a rear-facing window, leads to five well-proportioned double bedrooms. The main bedroom, with its two leaded-light windows, offers ample space to add an en-suite or walk-in wardrobe if desired. All bedrooms enjoy garden views and charming original features. A large, full-height loft offers further potential for conversion, providing far reaching views from its elevated position.

The home's front garden is beautifully landscaped, bordered by mature trees and shrubs for added seclusion. A red-brick driveway, offering off-road parking for three cars, leads to a single garage. The white-rendered façade, accented with red brick and a pitched roof, creates a quintessentially British aesthetic. The rear garden is a tranquil retreat, featuring a spacious patio for outdoor dining and relaxation, surrounded by greenery that ensures privacy and a serene atmosphere.
