Further Information...

Every effort has been made to ensure these details are correct. However, in certain instances we have needed to rely on third parties and websites so cannot guarantee all information is either accurate or current. We strongly advise all interested parties to independently verify any information before a decision is made to purchase. We can recommend local solicitors, mortgage advisors, surveyors and removal companies if required. It is your decision whether you choose to deal with them. Should you decide to use them you should know that we may receive a referral fee of between £30—£100 from them for recommending you to them. These particulars are issued in good faith and do not constitute representations of fact or form part of any contract of offer. We cannot confirm that services are connected. Appliances have not been tested. Neither Plymouth Homes Estate Agents nor any of its employees or agents has any authority to make or give any representation or warranty whatever in relation to this property. Any floor plans are representation floor plans for visual purposes only. Please note that the size and position of objects such as doors and windows have not been measured and are not to scale.

STORAGE

4.31m (14'2") max x 1.76m (5'9") max

With partially sloping ceilings, housing the heat recovery system and the airing cupboard housing the hot water cylinder.

OUTSIDE:

FRONT

The front of the property is approached via a pathway leading to the main entrance, a timber bin store and off-road parking for one vehicle.

REAR

The rear opens to a lovely, south facing garden enclosed by wooden fencing. Adjoining the property is a wooden gazebo which has been covered to offer an all-weather seating area and also offers protection from the sun. There is then a central lawned garden area and a further potential seating area at the end of the garden.

PARKING

In addition to the parking at the front, the property also benefits from a second allocated parking space located at the side of the central park/grass area within the middle of the estate. There are also numerous visitors' spaces within the estate marked with a V.

ESTATE CHARGE

We're informed by the owners that there is a yearly estate charge of £321.91 for the maintenance of the communal areas.

We recommend that potential purchasers inform their mortgage company and legal advisor of this information prior to commencing a purchase.

ENERGY SAVING

These houses were designed to embrace the latest energy saving technology to help lower energy bills and help the environment. The property benefits from solar photovoltaic panels which produce free electricity and have additional battery storage for surplus electricity, independent heating zones, a high efficiency gas boiler, airtight construction, triple glazed windows, an air circulation/heat recovery system and high levels of insulation throughout.
