#### OUTSIDE:

#### FRONT

The front of the property is approached via a double width private driveway leading to the covered main entrance and the garage. The garden area is laid to artificial lawn, with hedged border and railings. To either side of the house, gates and pathways then lead onto the rear garden.

#### REAR

The enclosed rear garden is a particular feature of the property, being south-westerly facing and having been lovingly maintained by the current owners. Adjoining the property is a glazed sun canopy, with tinted glass, covering a lovely travertine patio. This then opens to a beautiful and landscaped garden area, the majority laid to lawn, with established borders and gravelled areas encompassing a timber seat, pergola, slate water feature and shed to the side area.

#### INTEGRAL GARAGE

**5.02m (16'6") x 2.56m (8'5")**

With power and light connected, remote-controlled electric roller garage door.

#### SOLAR PANELS

The property benefits from privately owned solar water heating. Weather permitting, the solar panels partially heat the water which reduces the cost for the boiler to heat the water to the desired temperature. This helps to lower energy bills.
