EXECUTIVE DETACHED HOME WITH DOUBLE GARAGE

When it comes to finding the perfect family home that has everything a buyer could possibly wish for, this executive stone faced, country style home ticks all of the boxes. The detached property built by Cussins Homes in 2020 was designed for the family in mind and offers very well balanced living space which should meet all of your needs.

The house which is called "The Jasmine", comprises to the ground floor; entrance hall with storage, main living room with double doors into the garden, study room, a superbly fitted kitchen upgraded at the time of build to an enhanced finish, utility room and a ground floor WC. On the first floor the property presents four bedrooms; bedrooms one and two boast en-suites. There is also a very well finished family bathroom. A well tended and tranquil garden is to the rear with westerly aspect and a garden to front. To the rear of the property you have a double detached garage which belongs to the property; the only one in this style. The property has been upgraded at the time of build and also comes with air conditioning, Porcelainosa ceramic tiling, Pergo wood-effect tiling and wool carpets throughout.

The Backworth area has seen huge growth in property building and in demand. It is now an exclusive place to live with a great infrastructure. You access to plenty of shops, schools and the main motorway link the A19 which is perfect for the commuter. Its a great lifestyle choice with access to lovely blue flag beaches and countryside so you have the best of both worlds. The best way to get a feel for this home is to go and view. You will be as impressed as we are with this truly delightful family home.
