THE LOCATION

Bellevue is an exclusively residential district on the fringe of the New Town on its northeast flank, close to Canonmills. In the main, it comprises a wide variety of mainly Georgian-style tenement properties, very similar to the architecture of the New Town, but interspersed with a variety of more modern properties. Needless to say, this is an exceptionally central location which, for the energetic, is within walking distance of Princes Street.

Local shopping at Canonmills is first class with alternatives, equally nearby, at Broughton Street. Either of these locations are able to provide a great deal more than normal daily requirements. Furthermore, within these districts are banking, building society and post office services. However, the city centre is quite literally on the doorstep and it would be a simple matter to travel into the heart for a more extensive shopping trip, where there is every possible shopping facility, service and amenity.

For those who enjoy open-air recreational facilities, the Royal Botanic Gardens is only a short walk away. Beyond that lies Inverleith Park. At Warriston the routes of old railway lines radiate out in a number of directions, providing almost country-like walks within the heart of the city. Throughout the city centre, but more especially around Lothian Road and the West End, there is a wide variety of formal entertainment facilities. At Lothian Road is the Usher Hall, a variety of theatres and cinemas, all manner of bars and restaurants, indoor sports facilities and health clubs.
