Upstairs, the first floor continues to impress with two generous double bedrooms. The principal bedroom features a charming bay window, adding character. The third bedroom provides additional accommodation, ideal for a growing family or as a guest room. The beautifully crafted family shower room on this floor has been designed with comfort and style in mind, featuring high-quality fixtures and finishes. There is also a part converted loft room with a skylight added, giving this property the opportunity to be extended further.

Outside, the property offers ample off-road parking at the front, accompanied by a well-maintained lawn garden. The rear garden is a substantial space, primarily laid to lawn, providing plenty of room for outdoor activities and relaxation. Additionally, a concrete base has already been installed, ready for the addition of a large shed or summerhouse, allowing for further customisation and use of the outdoor space.

While the property had planning permission granted for a side and rear extension, this has now expired. However, this provides an excellent opportunity for the new owners to reapply and potentially expand the property further, adding even more value and living space to this already impressive home.
