Available for purchase for the first time in generations, this property is a blank canvas, requiring complete renovation but brimming with potential.

One of the standout features of this property is the breathtaking views that can be enjoyed from both the front and rear. The stunning scenery of the Clun Valley enhances the appeal of this home, making it a tranquil retreat from the hustle and bustle of everyday life.

Additionally, the property benefits from generous parking space for up to 5 vehicles, a rare find in such a serene location. The attached barn presents an exciting opportunity to extend the floorplan, allowing for further development to suit your needs. The large barn in the rear garden could be converted for various purposes, whether it be a workshop, studio, or additional living space, subject to planning permission.
