A rare opportunity has arisen to the market to acquire this beautifully presented two-bedroom maisonette, idyllically positioned within the highly sought-after coastal town of Tynemouth. A unique feature of this property is the far-reaching views from both the front and rear windows, with rear views over the River Tyne and along the coastline of South Shields. Equally stunning views from the front look out over King Edwards bay. Built in the 1850's the property is situated within a Grade II listed building and showcases stunning contemporary features with neutral décor that complement original traditional features. The property was fully refurbished in 2016 and provides an excellent opportunity to purchase a unique property on the doorstep of the Priory Castle and the many amenities of the enviable Tynemouth.

The property begins with access to a welcoming hallway, providing access to both principal rooms of the ground floor and to the first-floor landing via the staircase. The first floor of the maisonette boasts a bright and spacious living room, with two tall windows which flood the room with an envious amount of natural light. Next, to the living room is the stunning dining kitchen with three large windows overlooking Tynemouth front street and the clock tower. The kitchen includes a full array of high-end appliances and plenty of storage space, all neatly disguised to provide a minimalist contemporary design.

To the first floor of the property, there are two impressive double bedrooms, one of which with fitted storage space and both showcasing tasteful decor. To complete this home is the luxury four-piece bathroom with underfloor heating and a separate bath and shower unit.

Externally, there is an extensive, well maintained communal garden with planted borders and paved sitting areas. The property is also within walking distance of the seafront and Priory Castle. The garden is maintained weekly. Additionally, a brand new rear roof has been installed.
