Our Services

Homebuyer Reports

If you are buying a house, you should consider having an RICS HomeBuyer Report. Unlike a mortgage valuation, the HomeBuyer Report provides you with an assessment of the condition of the property and advises on repairs and maintenance required, so you can make an informed decision about your purchase. At Keates Hulme, our experienced surveyors are regulated by the Royal Institute of Chartered Surveyors, and we even offer a post-valuation consultation, where we can give advice on any issues raised in the report.

Lettings

Thinking of letting your property? Keates Hulme can help. Our dedicated lettings team manage hundreds of properties throughout the city and can guide you through the process with a minimum of stress. With the option of either a Let Only or Full Management service, you can choose how much or how little you would like to be involved.

Sales

Keates Hulme offer a comprehensive sales service, with helpful and friendly advice every step of the way, and the opportunity to monitor the viewing statistics and general interest in your property online. All our sales and lettings properties are listed with Rightmove and can be viewed online by potential purchasers countrywide. Ask a member of staff for a free, no obligation appraisal of your property today!

Mortgages

Need help deciding on a mortgage? Keates Hulme can put you in contact with a Mortgage Advisor for a free, no obligation consultation and advice.

YOUR HOME IS AT RISK IF YOU DO NOT KEEP UP REPAYMENTS ON A MORTGAGE OR OTHER LOAN SECURED ON IT

Energy rating and score

This property's current energy rating is C. It has the potential to be C.

[See how to improve this property's energy efficiency.](#)

Score	Energy rating	Current	Potential
92+	A		
81-91	B		
69-80	C	73 C	76 C
55-68	D		
39-54	E		
21-38	F		
1-20	G		

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60

Breakdown of property's energy performance

Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

Assumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.
