Applications

If you wish to apply for tenancy you will need to complete the preliminary application form so we can decide if you are likely to pass the referencing process. You should therefore drop the completed form into our office or email it. If you are successful we pass your details onto our preferred reference agent. You may be asked to sign a reservation/holding deposit form and pay the holding deposit of one weeks rental which will become part of the first months rental if you proceed to lease. Once we issued the vouch reference request we will mark the property as let for the next seven days to allow you time to proceed with references.

Standard Terms of Tenancy

If you proceed to lease the property then the initial term of the lease will be for a period of 6 months, unless the property is a student tenancy where leases of 9-10 months would apply. On or before the date you sign a lease the first months rental and deposit needs to be paid and this can be by bank transfer, cash, card or bankers draft. **Please note that card and cheque payments must be made at least five days prior to your move in date to allow funds to clear our account.**

Deposits will usually be one months rental. If you have a pet the deposit may be raised by one weeks rental subject to the landlord's approval. The holding deposit you may pay will become one weeks rent on the day you sign your lease. You will only be asked to pay a holding deposit if your references are taking time or you are requesting to sign a lease weeks in the future.
