Arnold & Phillips are pleased to bring to market an exciting and unique opportunity to acquire this beautifully presented two-bedroom detached cottage, residing with a generous plot along the attractive Gorse Lane in Tarleton, West Lancs.

'Ballaquane Cottage' dates back to the late 1800's, with the present owners having lived in the property over thirty years. Ideally positioned Tarleton Village is just a short walk away and enjoys a range of local amenities and independent retailers, whilst also enjoying good transport and commuter links.

Approached via a private driveway providing off-road parking for multiple vehicles, this pretty painted cottage is accessed via the front entrance, with one received into a central entrance hallway. The left side of the property enjoys a spacious living area that has been extended over the years and is brightly lit, enjoying a pleasant outlook over the rear garden. The front right of the property provides the main lounge, whilst a rear dining kitchen resides to the rear of the property and provides an array of wall and base units, finished in a white shaker design and providing range cooker and stylish contrasting work-surfaces and central dining area.

The first floor provides two well-proportioned family bedrooms, both of which are neutrally decorated and enjoy a pleasant outlook over the surrounding area. The property is served by a main family bathroom providing bath with overhead shower, WC and was hand basin.

Externally the rear of the property enjoys a large wrap-around plot which is predominantly laid to lawn and bordered by an array of established trees and plants, with a private side patio terrace ideal for entertaining and dining al-fresco. Extending to 1,053 square foot and enjoying gas central heating and double glazing throughout, the abundant potential available at this property is clear for all to see, with the plot certainly capable of taking a large extension, subject of course to all the usual required planning permission being obtained. Internal inspection of this charming cottage is highly advised to fully appreciate the true scope of potential available within.
