Steel House 4a Cavendish Road, Colliers Wood, London, SW19 2EU

Steel House 4a Cavendish Road, Colliers Wood, London, SW19 2EU

Welcome to Steel House! A stand alone, new build detached home located in the centre of sought after Colliers Wood, SW19.

Designed and completed to high a specification throughout with a unique contemporary design to accommodate the modern lifestyle with a combination of both comfort and style.

A huge open plan kitchen/reception room is perfect for entertaining with a spectacular curved window feature maximising natural light, there is underfloor heating and bi-fold doors flow out to a spacious enclosed garden with a southerly aspect. There is also a ground floor WC. The first floor has two generous size bedrooms with an en-suite shower room to the master bedroom and a further guest bathroom with shower and bath. Remote controlled Velux skylights add extra light to both the master bedroom and landing.
