Suitable for dual-occupancy or offering potential for 'home & income', Abbott & Abbott Estate Agents offer for sale this substantial detached bungalow, situated in a tucked-away position well back from the road, and set in lightly-wooded, mature and private gardens. Offering just over 2000 sq ft (186 sq m) of accommodation in total, the property is currently arranged as a main residence - providing three bedrooms, with en suite shower to the main bedroom, a south-facing lounge opening directly into a large double glazed conservatory, kitchen with utility room and a bath/shower room - plus a good size self-contained annexe, served by its own separate entrance but also intercommunicating with the main residence, which provides two bedrooms, lounge, kitchen and bath/shower room. Alternatively, the property could easily be used as a single residence providing five bedrooms, three bathrooms and two large reception rooms with scope for further alterations. Outside, there is also extensive vehicle hardstanding and a detached double garage. Both the main residence and annexe have separate gas central heating systems and there are uPVC double glazed windows and external doors.

Approached by a brick-paved driveway leading away from De la Warr Road, the property is well placed for local buses, the Ravenside shopping complex and the beach at Glyne Gap. Bexhill College is also nearby and the town centre is just over a mile distant.
