Situated in large, private gardens, ideal for families with young children and especially for entertaining, this beautifully presented semi-detached house, offers larger-than-average and highly versatile accommodation with, unusually, a potential for five bedrooms. Originally built in the 1960's, but substantially extended in the 1980's, the property provides four first floor bedrooms – one with an en suite shower, plus four reception rooms, including a large breakfast/family room which provides potential for a wide variety of uses, including a study, utility room or an occasional fifth bedroom. There is also a most attractive lounge, a dining room leading directly to a sun room which overlooks the gardens, and a large, well-equipped kitchen. The gardens are a real feature, with areas of decking and a barbecue area for entertaining, plus extensive lawns. There also appears to be space in the garden for possible development – subject to obtaining any necessary consents. A detached garage and sheds provide excellent storage facilities. Gas central heating is installed and there are uPVC double glazed windows and exterior doors.

The property is situated in a tucked-away position at the end of a quiet cul-de-sac, just a few hundred yards from the Ravenside shopping complex and the beach at Glyne Gap. Local schools are nearby and buses to Bexhill, Hastings and Eastbourne are available in De la Warr Road. The town centre is just under two miles distant.

This is a highly individual and well-presented property which must be seen to be fully appreciated
