MORE THAN FIRST MEETS THE EYE.. Welcome to this charming and deceptively spacious three bedroom semi-detached house located on Welbeck Street in the village of Whitwell, Worksop.

One of the standout features of this lovely home is its traditional charm, with classic features that add character and warmth to the property. The large room sizes provide a sense of space and comfort, making it a delightful place to call home.

The ground floor accommodation offers much more than is first expected. There is a large lounge/dining room with a feature fireplace with log burner. A recently refurbished kitchen provides modern wall and base units with contrasting worktop and space for freestanding appliances. Off the kitchen is a practical utility room with plumbing for a washing machine and tumble drier and also a separate WC. In addition to the lounge/diner there is also a very large separate sitting room with a beautiful feature fireplace and also a bar area, perfect for entertaining family and friends. As if this wasn't enough the ground floor also benefits from a good size cellar which can be used as storage or indeed a space for entertaining.

To the first floor are three excellent sized bedrooms. The large master bedroom with feature fireplace benefits from an ensuite shower room. There are two further good sized bedrooms and a main family bathroom with large walk in and vanity unit with sink and low flush WC. Outside the property offers an enclosed garden with paving, artificial grass and an inviting seating area. There is also the bonus of off street parking and a large detached garage.
