The House...

PSPhomes are proud to introduce Worth Farm – an exceptional and select development of just six brand new residences occupying a peaceful, secluded spot in the heart of East Sussex countryside with uninterrupted views over farmland. Plot 2 is a superb home, enjoying a sizable corner plot (approx 0.3 acres) with accommodation including an impressive living space in the form of the sitting room, family room and an exceptional open plan kitchen/dining/living room. The utility room leads through the double garage. On the first floor there are five well-proportioned bedrooms, galleried landing, two en-suites and a family bathroom.

Aesthetically these homes do not look out of place in their leafy surroundings and have been purposefully designed to enhance and not compete with their beautiful locations. These barn-style homes deliver everything you want from country living, with a modern high specification twist.

Unusually for a new development, the homes each have a unique character offering flexible living accommodation to suit every family.
