### The Penthouse...

Embrace penthouse living with this exceptional roof top apartment that boasts its own private 55ft x 33ft wrap around terrace and contemporary open plan living at the heart of the design.

This penthouse is, in our opinion, the best position in the area with glorious open views over woodland. The accommodation extends to an impressive 1,200 sq ft and is made for entertaining, particularly with the bi-fold doors that allow the party to spill out on to the terrace. The main living space extends to a huge 35ft with plenty of space for sitting and dining areas whilst the kitchen itself is sleek & stylish. There is also a range of integrated appliances including oven, gas hob, dishwasher and fridge/freezer. The washing/dryer is nicely hidden away in the separate utility.

The main bedroom is an excellent size with fitted wardrobe, its own en-suite bathroom and 'French' doors that open on to the west side of the terrace. The second bedroom is also a good size double room and enjoys a modern en-suite shower room.

There is also a separate cloakroom for guests and two useful storage cupboards in the hallway.

Further attributes include gas fired central heating, secure telephone entry system, lift service from your covered allocated parking space and neutral décor.

### Tremendous Terrace...

Stepping outside, the wrap around terrace is a superb feature rarely found with apartments in Haywards Heath. It provides brilliant space for al-fresco dining or a morning coffee. The southerly views over ancient woodland are glorious. Being top floor means you are totally secure and can enjoy airy, breezy living during the summer months.

This superb apartment would suit a range of purchasers including downsizers, professional commuters or those looking for a secure UK bolt hole.

### The Location...

Henmead House lies off of Renfields, which forms part of the latest phase of the popular 'Bolnore Village', situated to the northern part of the development, within 15-20 mins walking distance of the town centre & station (Google Maps). One particular benefit of this location is the convenience to Haywards Heath's mainline station which lies just over a mile distant via Wealden Way/Oakwood Road or Bolnore Road and provides frequent commuter links to London (47 minutes to Victoria/London Bridge), Gatwick International Airport (20 mins) and Brighton (20 mins).

Local amenities are provided by the Village Square including a convenience store. The recently opened 'Woodside' has given the village a social centre with an array of activities and clubs active throughout the week. There is a regular bus service providing links into Haywards Heath & surrounding areas. More extensive shopping facilities can be found in the nearby Haywards Heath town centre that lies roughly one mile distant. By road these surrounding areas can be accessed via both the A272 and A23(M) with the latter lying west at Warninglid/Bolney.
