### The Home...

This fabulous detached family home, with detached double garage, was built in the late 1980s by the reputable 'Clarke Homes' and is offered for sale for the first time since.

Internally the home offers an incredible amount of spacious, family friendly accommodation of over 2,300 sq ft that will surely appeal to anyone looking for a large family home in a village setting.

Upon entry, the tone is set by the impressive reception hall with central staircase. The sitting room extends to over 18ft with a fireplace providing the natural focal point. This room interconnects with the dining room and conservatory respectively and when the double doors are open either end you have a superb living through living space that is great for entertaining.

The conservatory itself also extends to around 18ft and has French doors that open on to the garden – a fabulous space during the summer months.

Over the hall you have the family room which is perfect as a play room, work from home space or ground floor bedroom.

The spacious kitchen provides plenty of space for a dining table, generous storage and prep space and a range of integrated appliances. The separate utility has a handy side door, great after a muddy dog walk or football training!

The ground floor also has a cloakroom and useful understairs storage cupboard.

A turned staircase rises to the galleried first floor landing. On this level you have five bedrooms and three bath/shower rooms. The master bedroom is a generous double with fitted wardrobes and a large ensuite with bath and shower. The guest bedroom also has modern ensuite shower room, whilst the remaining three bedrooms are served by the family bathroom with roll-top bath and separate shower.

The home has gas fired central heating, is fully double glazed and has a recent EICR (electrical certificate) in place. There is some cosmetic updating now required by in terms of space and flexibility, there is an incredible amount of offer.

### Step Outside...

Stepping outside you have a lovely garden that is fully enclosed, offers plenty of privacy & seclusion and is laid mainly to level lawn. The decked terrace is the perfect spot for some 'al-fresco' dining with friends & family and there is pretty planting. The southerly aspect means you have sunshine throughout the day too.

Double gates open to the large block paved driveway which provides parking for several cars. The detached double garage has power, lighting and the pitched roof means there is a handy attic space.
