The Home...

Welcome to Woodlands Edge – a select development of just eight homes, built by the highly regarded Quantum Homes in 2017, backing on to glorious open countryside. This home is a three bedroom, three bath/shower room terraced home that has been built to a traditional 'Sussex style' with plenty of kerb appeal and a superior internal specification.

The ground floor is arranged around two generous spaces. To the front is a fabulous and social kitchen/diner which is great for entertaining. The kitchen itself boasts stylish high gloss units, Silestone worktops and a range of integrated appliances including oven, gas hob, fridge/freezer, dishwasher and washer/dryer.

Across the entire rear of the house is the sitting room – a superb space with bi-folding doors that seamlessly connect the inside with the out and enjoys a delightful outlook over the garden and the countryside beyond.

The ground floor also has a cloakroom and has underfloor heating flowing throughout.

On the first floor you have two of the three bedrooms – both doubles. The third bedroom has the best of the views over rolling Sussex countryside. The second bedroom overlooks the front and has its own luxurious ensuite shower room making it perfect for guests. The family bathroom is sleek & stylish with both a bath tub and walk-in shower.

Stairs lead up again to the super second floor – a private sanctuary from the rest of the house and the perfect master suite. The bedroom itself is a great size and enjoys fitted wardrobes and the ensuite is contemporary and tasteful.

There is also an incredibly handy landing area that could easily be used as a study – perfect for those who work from home.

The home is neutrally decorated making it perfect for an incoming buyer and offers a high degree of energy efficiency (EPC: B-86, potential A-95) with high performance double glazing, gas fired central heating and a stacks of insulation.

There is also the remainder of a 10 year new homes warranty giving total peace of mind.

Step Outside...

To the south-east facing rear the garden is a real feature and extends to around 65ft, with the most glorious of open outlooks over National Trust countryside beyond. There are often sheep in the field making it a truly "picture-postcard" outlook.

To the front are two parking spaces, one of which is in a car barn – with power & lighting.

The Location....

Woodlands Edge sits just off the High Street in the heart of Handcross, a thriving Sussex village with excellent schooling in the form of Handcross Primary and Handcross Park School in the private sector. The village has excellent links on the A23(M) motorway network meaning you can get to Gatwick Airport, Crawley, Brighton and the M23/M25 quickly. The High Street is home to the superb Red Lion is a premium pub, bar, and restaurant with its very own courtyard - serving super Sunday Roasts! JoCo is a dynamic cafe offering good strong coffee, tasty treats, and light lunches - set in the delightfully historic Old Garage, this has been a real hit with villagers since opening in late 2020. The Butchers has been established for 100 years and there is also a convenience store and hardware store.

For a dose of fresh air you're surrounded by beautiful Sussex countryside. but we'd recommend visiting the stunning Nymans National Trust Park, which is just a 10 minute walk.
