The Apartment...

This modern top floor apartment, built in 2012 by Linden Homes, is situated a short walk to Lindfield village and Scrase Valley nature reserve. The flat offers spacious open plan living room with modern kitchen, ideal for entertaining. Doors open on the balcony, providing that essential outside space. The flat has an unusual design in that only one wall is connected to the block, with three outside walls which gives the kitchen/lounge an airy and bright triple aspect. The bedroom is a double with fitted wardrobes. The bathroom is contemporary with overhead power shower. Further attributes include gas fired central heating, double glazed windows, a high degree of energy efficiency, tasteful neutral décor and secure entry phone system.

The property benefits from a spacious loft, which is partly boarded and provides ample storage space. The gas boiler has been serviced annually, the latest being Sept '24. An Electrical Installation Condition Report (EICR) was completed in May '25 and the extractor/vent system was serviced in April '25.

There is also an allocated parking space, lockable bike shed and nearby bus service. The apartment is being sold with no onward chain and prompt vacant possession.
