The Property

No 2 London Road presents as a distinguished detached house nestled amidst enchanting gardens, gracefully set back from the road. Having been owned by the current family since 1990, this residence was thoughtfully transformed from two apartments into a captivating space offering ample accommodation for families.

Stepping inside, you are welcomed by a generously proportioned reception hall and stairwell, adorned with engineered oak flooring that seamlessly flows through to the open plan living room and dining area. A feature bay window to the front bathes the space in natural light while a charming wood-burning stove adds warmth and character. French doors lead to a serene back garden, and additional patio doors unveil a delightful conservatory boasting underfloor heating and a pitched clear

glass ceiling, making it a perfect sanctuary to relax. The kitchen, adorned with matching wall and base units, showcases granite work surfaces, complemented by an alcove housing a Range cooker, all while providing convenient access to the garden. Completing the ground floor is a practical cloakroom and washbasin tucked under the stairs.

Ascending to the first floor, three spacious bedrooms await, each exuding comfort and charm. The grand bathroom suite impresses with its generous proportions, featuring a separate walk-in shower cubicle, and tiled surround and floor.

Outside

Set back from the road in an elevated position, the property has a wrap around landscaped garden with low retaining ragstone wall capped with timber panel fencing and selection of planting set within timber sleepers.

Double gates and a gently sloping sandstone paved pathway leads to the front and side, with timber decking and steps to an impressive enclosed and private rear garden with a combination of close panel fencing, mature trees and planting to boundaries.

A raised patio terrace lies to the back of the house and a gently sloping lawn includes further decking and a timber cabin, ideal as a home office, with power and lighting connected, double glazed windows and doors.
