Location

Teasel View sits on the edge of Conningbrook Lakes around two miles to the north east of Ashford town centre. These lakes are encompassed by wet woodland, ponds, reedbeds and grasslands. Kent Wildlife Trust are managing over half of the site on behalf of Ashford Borough Council (ABC).

The reserve is rich in birdlife on and around the lakes. Take a frosty morning walk in the winter months to see the migratory wildfowl and wetland birds, including species such as shoveller, wigeon, tufted duck and gadwall. In the spring, catch the migrating warbler species and breeding birds around the lake edges, and hear the skylarks singing in the skies over the summer (Source: Kent Wildlife Trust).
