## Description

Dating back to circa 1855 and retaining many original features, this gorgeous, double fronted Victorian detached home offers a versatile range of deceptively spacious accommodation laid out over 3 floors. This superb property has recently had a new roof, boiler and hot water tank installed and has planning permission granted for significant extension work to further expand the living space if so desired (24/00335/FUL) to include the erection of a 2 storey side extension, single storey rear extension and 1st floor roof terrace with stepped access to the garden. Meersbrook is a very fashionable and hugely sought after place to live with regular bus services whisking you into the centre of town in under ten minutes and a central park providing a lovely space to unwind, meet friends and entertain energetic children. The area has seen something of a Renaissance in recent years with independent restaurants, pubs and shops combining to give the area a bohemian feel to rival Nether Edge Village.
