

3, Workhouse Green

Sheffield, S10 4PN

Description

This gorgeous, end of run terraced cottage is situated at the very end of Green Lane as it joins onto the surrounding farmland and enjoys an idyllic setting with delightful rural views and the babbling sound of the Porter Brook as it runs down the valley past the foot of the pretty garden. The property will suit both owner occupiers and investors alike who may take advantage of the huge demand for a holiday home and the high income that can be generated in such a beautiful setting. Properties in 'The Valley' rarely become available on the open market and it is suggested that an early viewing is very much advised to beat the anticipated high demand. The side extension has given this property a lovely balance of accommodation, now featuring two reception rooms, two lovely double bedrooms, a luxurious bathroom and a pretty, farmhouse style kitchen. The internal space is complemented by off road parking, an outbuilding/utility room and a pretty, enclosed lawned garden that boasts a lovely view over the surrounding countryside.
