Description

A lovely detached family home offering huge potential for further development to perhaps extend, knock down and start again, or even try for planning permission for multiple properties and maximise the clear potential on this generous site. At present the property is situated well back from this very desirable road on a fabulous plot of approx 0.75 of an acre and offers a range of really well proportioned accommodation over two floors. The main rooms all enjoy a lovely south facing aspect over the beautiful gardens and, although requiring a general scheme of modernisation, all benefit from generous proportions and a feeling of light and space. The stunning grounds have been lovingly maintained by the previous owners with an obvious attention to detail and scant regard to the costs they must have incurred over the years. The gardens provide a profusion of colour throughout the year and combine formal gardens with areas of terrace, fruit and vegetables, greenhouse and ponds. The bottom section of the garden could also perhaps be sold off, if preferred, to the owners of the houses on Hill Turrets Close who may wish to increase their own, limited gardens. The area is a firm favourite with the family market due to the close proximity to some of Sheffield's most sought after schools and there are also lovely, scenic walks in the surrounding woodlands of The Limb Valley that take you out into the surrounding countryside. Available with no onward chain.
