Description

A larger than average, 1930's brick built semi detached property that features bay windows to both the front (two storey) and rear (single storey). This lovely property occupies a wider than average, south westerly facing plot which features a large garage and access path to the side which, it would suggest, offers plenty of space for extending the living space. Millhouses is a highly sought after neighbourhood, in the south west sector of the city, with local amenities at its centre. The local park is renowned in Sheffield and acts as an extension to your back garden. With tennis, bowling, basketball and cricket facilities alongside a popular children's playground and boating lake all suitably supported by a busy pub and a thriving cafe. The nearby Ecclesall Woods act as the gateway to the beautiful surrounding countryside found in The Limb Valley and the 'outstanding' local schooling ensure that the area is a firm favourite with the family market. Number 21 Stowe Avenue offers an excellent range of accommodation that is laid out over two floors and incorporates a utility area in the larger than average garage. The driveway is block paved and there is a pretty and sunny garden at the rear which includes an Indian stone flagged terrace located outside the dining room, kitchen and garage. Available with no onward chain and providing the potential for a quick move and the buyers to be in for Christmas if required.
