Sheffield, S11 9QF

Description

A much extended 1920's family home that occupies the largest plot on this pretty and very desirable road. The property offers over 4741 square feet of accommodation which could be enlarged further via the spacious eaves off bedroom five, on the second floor or via extending to the side and rear (subject to regs). The houses on this side of the road are hugely sought after, with their large south westerly facing gardens they are thought to be some of the best plots in the Steel City and are rarely sold through the usual channels. Whirlow is such a lovely place to live, residents enjoy a high degree of privacy yet there is still a strong sense of community. Whirlow Lane even has its own WhatsApp Group which is great for staying in touch with the neighbours and security for your home while you are away. Silverdale School is found within a short walk and Whirlow Farms thriving café acts as a great stop off on the way out or way back from walks in The Peaks or the picturesque Limb Valley which is the perfect backdrop to this stunning home. Barten Meadow has a lovely feel throughout and has had many upgrades, at a significant cost in this owners tenure. A second ensuite has been added on the first floor, the original kitchen has been turned into a home office and the new kitchen has a lovely design and finish and includes plenty of space for dining and entertaining. This is on top of amendments to the garden design, a full rewire, a complete new heating system with replacement plumbing and radiators and quality, replacement double glazing. The formal gardens behind the property are quite lovely and include a level area of lawn which, in the past, was used as a lawn tennis court. The bases for the net posts are still in situ, set into the ground either side at half-way point, and the current owners also have the net posts, an old net, the line-marker,

ELR PREMIUM - IMPORTANT PLEASE READ:
ELR is marketing this property with the benefit of 'ELR Premium'.

ELR has introduced ELR Premium to help reduce fall through rates and speed up, what can often be, an unnecessary sales process.

Purchasers will benefit from the pre sale buyers pack, which we have created with our legal partners, Banner Jones Solicitors, to give buyers as much information as possible before they agree to purchase.

The pack includes:

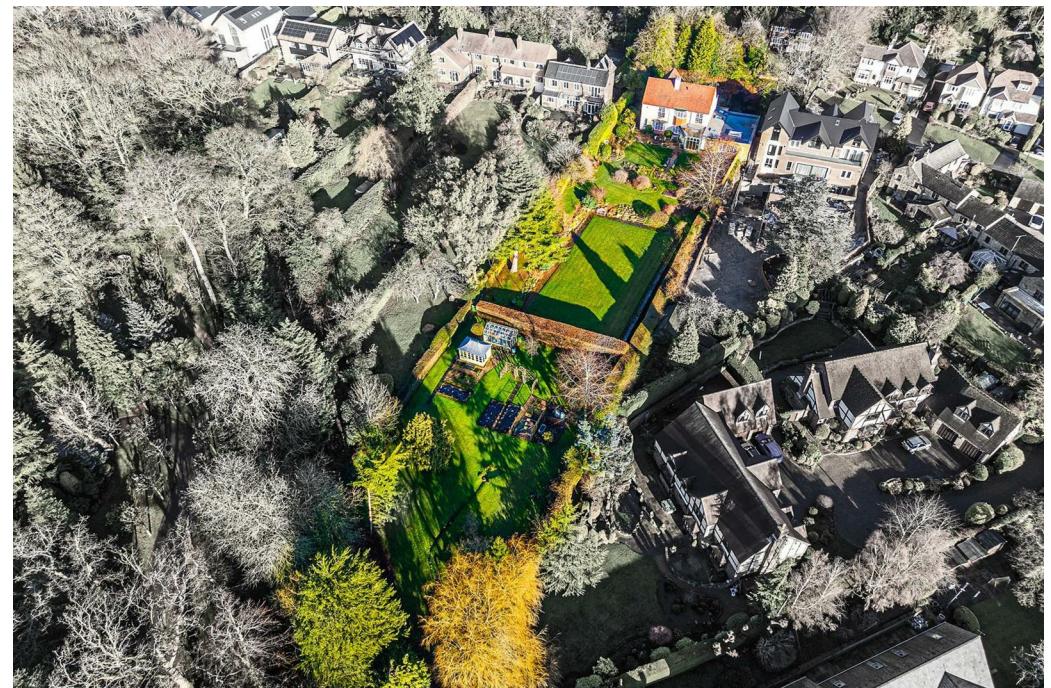

- Property Information Questionnaire (PIQ - a summary of the TA6)
- TA10 (Fittings and Contents)
- Official Copy of the Register
- Title Plan
- Local Search*
- Water and Drainage Search*
- Coal and Mining Search*
- Environmental Search*

(ELR have ordered the local, drainage, coal and environmental searches; we will add these to the pack as they become available).

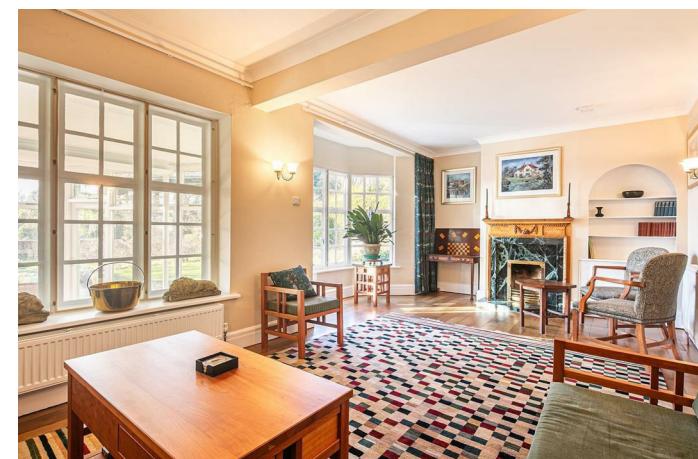

ELR Premium allows the sale process to be completed significantly quicker than a 'normal sale'. This is because the legal work, usually done in the first four to eight weeks after the sale is agreed, has already been completed. The searches, which can take up to five weeks, are ordered on the day the listing goes live and are transferable to the successful buyer as part of their legal due diligence. Additionally, and on behalf of the seller, ELR requests that the successful buyer enters into a Reservation Agreement and pays the Reservation Agreement Fee of £595 (including VAT). This includes payment for the Information Pack and all the searches (which a buyer typically purchases separately after the sale is agreed).

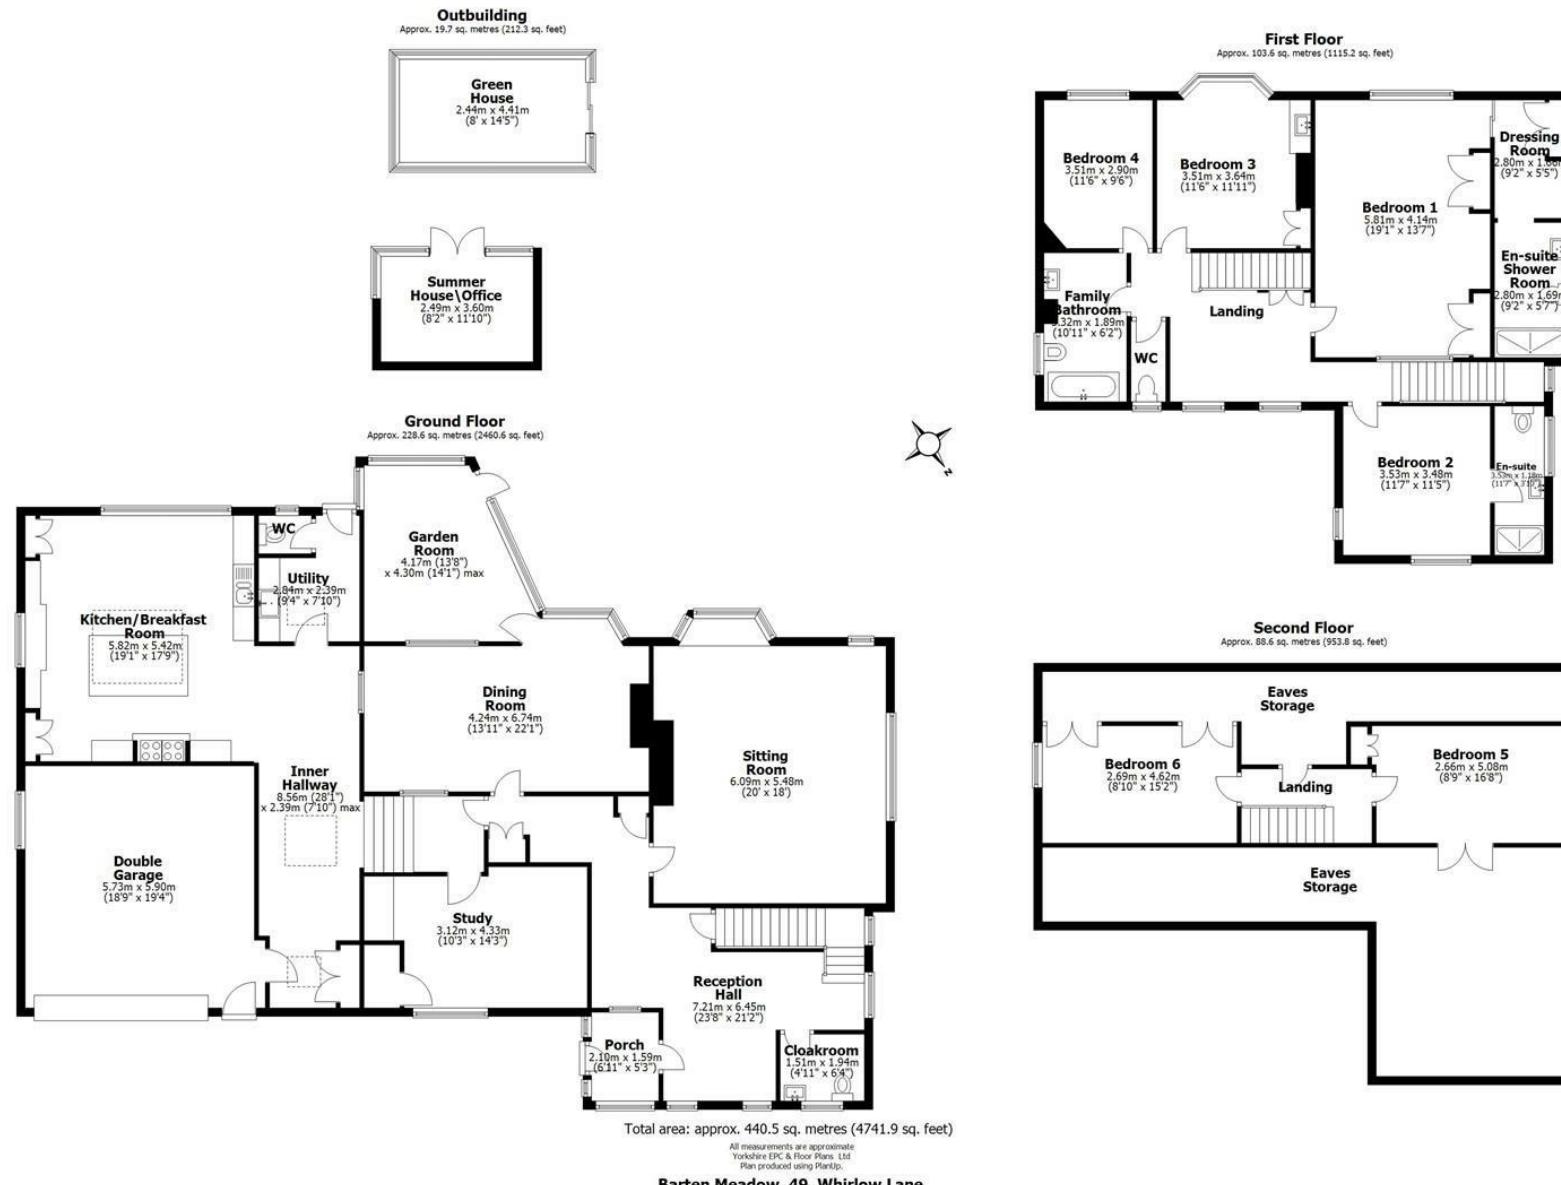

Upon receipt of the signed Reservation Agreement, payment of the Reservation Agreement Fee, completion of ID and AML checks and the issuing of the Memorandum of Sale, the Seller will agree to take the Property off the market and market it as 'Sold Subject To Contract' (SSTC).

The reservation period is agreed upon at the time of sale.
